Career Marketplace

Organisation

The Career Centre of the University Maribor in cooperation with the Employment Service of Slovenia (Regional Offices Maribor and Ptuj)

Description

Moto: The career Marketplace - your chance for connecting

For the third time in the row the Career Centre of the University Maribor organizes an event called Career Marketplace Live, which is intended **for students and graduates** of the University Maribor and **young jobseekers**. At the event young people are presented with career opportunities in their environment and they get the chance to personally contact potential employers. They have the opportunity to meet several potential employers and their organizations all in one place and to ask about their expectations and job opportunities.

Upon prior application young jobseekers have the opportunity to present themselves to up to 15 potential employers during fast 5-minutes job interviews. Also available are group counselling, career development chances and a presentation of current measurements for the promotion of youth employment. The participation at the marketplace is **free**.
