

# Career **DAYS**

*Organized by:  
AIESEC Czech Republic*

**Motto: Companies, students, experience**

Event "**Career days**" has been always an unique event. It has been developed by students of all business universities in the Czech Republic. At the same time it has been the first fair of career opportunities in the Czech Republic.

Career days has been established in 1993 by AIESEC, the biggest world students association.

The main aim of the event is to help the students to find their dream job. The unique concept is the main reason for the great success of this event.

The main idea is to provide an area for students to get known the company culture and experience personal interactive meeting with the representatives of the companies.

The main objective of this event is to intermediate contact between students and employers; motivate students; support job opportunities for young people.

All participants of the festival meet in an informal environment. Students can get in touch with representatives of companies, from the small ones to the very well – known ones. In the recent years there were representatives from: Accenture, Adidas, Amazon, CETIN, ČSOB, ČEZ, DHL, Deloitte, Ernst&Young, Glencore, Heineken, Johnson&Johnson, KPMG, LEGO, Manpower, McKinsey&Company, Nestlé, P&G, Provident, RWE, Raiffeisenbank, Sephora, Synergie, STUDENT AGENCY, Tesco, O2, banks and insurance companies, etc.. The event itself consists of 6 main programs such as "Meeting", "Case studies", "Trainings", "Panel discussion", "Launches" and "Others". Around 1000 students across Czech Republic attend every year and the feedback says that they find it very helpful and useful as 98% of participants would recommend this festival to others.
